This role also requires a high level of interpersonal skills to interact with patients and their families.

Requirements & Responsibilities:

- Certification of registration in good standing as an RPN through the CNO.
- RPNAO (insurance) member preferred
- Current CPR Certification
- Valid Ontario Driver's Licence and access to own method of reliable transportation
- Experience in a primary care, long-term care or hospital setting preferable
- Able to function as a team player
- Excellent communication, problem solving and organizational skills
- Positive attitude
- Working knowledge of Mac/Apple
- Proficiency in TELUS EMR system is an asset
- Provide mental support to other nursing staff within the RMG, colleagues and other staff members
- Apply recognized clinical practice guidelines and best practices to screening, monitoring and assessment of patient's physical and emotional well-being
- Provide care and management for patients with a wide range of health issues
- Knowledge and experience working collaboratively with community resources
- On-going participation in professional development
- Occasional after-hours support as required

Skills and Abilities:

- Demonstrate an understanding of chronic disease management and patient self-care strategies
- Ability to keep confidential all information regarding patients, health care providers, employees, business operations and clinic/team functioning

Skills and Abilities cont'd:

- Professionalism displayed through mannerisms, attire and response to stressful situations
- Problem solving skills to identify and effectively set priorities and complete tasks within agreed upon timeframes

**This is a temporary contract position with the potential for renewal**
